Sonar Bookends® InXref™

By installing Sonar Bookends InXref you agree to the terms in the Sonar Bookends InXref License Agreement included

Macintosh Installation

To install Sonar Bookends InXref for the Mac OS X:

1. Open the folder that represents the version of InDesign that you own.

2. For InDesign CC 2020 and later, run the Installer Package. For previous versions of InDesign, drag the file **Sonar Bookends® InXref** into the InDesign **Plug-ins** folder.

Windows Installation

To install Sonar Bookends InXref for Windows:

1. Open the folder that represents the version of InDesign that you own.

2. For InDesign CS4 and earlier: drag the file **SBInXref.pln** into the InDesign **Plug-ins** folder.

3. For InDesign CS5 and later: drag the <u>entire folder</u> **Sonar Bookends InXref** into the InDesign **Plug-ins** folder.

4. Drag the folder **sonar files** (found in the folder **Place enclosed folder on c drive**) on to your computer's C drive. **Note:** If you already have a **sonar files** folder on your C drive, then just copy the contents of the new **sonar files** folder into that existing folder.

Sonar Bookends InXref Demonstration Mode

When first installed, Sonar Bookends InXref runs in demonstration mode. Demonstration mode will only update the page numbers for the first five references.

To remove these restrictions, you must purchase Sonar Bookends InXref. After payment is received, you are given a special serial number to enter into the registration dialog box, fully enabling the product.
