Sonar Bookends® InDex™

By installing Sonar Bookends InDex you agree to the terms in the Sonar Bookends InDex License Agreement included

Macintosh OS X Installation

To install Sonar Bookends InDex for the Mac OS X:

1. Open the folder that represents the version of InDesign that you own.

2. For InDesign CC 2020 and later, run the Installer Package. For previous versions of InDesign, drag the file **Sonar Bookends® InDex** into the InDesign **Plug-ins** folder.

3. Drag the files **SBPN.TXT** and **SBKWELIM.TXT** (found in the folder **Files for Preferences Folder**) into your **Preferences** folder, which is found at Users/your user name/Library/Preferences.

Windows Installation

To install Sonar Bookends InDex for Windows:

1. Open the folder that represents the version of InDesign that you own.

2. For InDesign CS4 and earlier: drag the file **SBInDex.pln** into the InDesign **Plug-ins** folder.

3. For InDesign CS5 and later: drag the <u>entire folder</u> **Sonar Bookends InDex** into the InDesign **Plug-ins** folder.

4. Drag the folder **sonar files** (found in the folder **Place enclosed folder on c drive**) on to your computer's C drive. **Note:** If you already have a **sonar files** folder on your C drive, then just copy the contents of the new **sonar files** folder into that existing folder.

Sonar Bookends InDex Demonstration Mode

When first installed, Sonar Bookends InDex runs in demonstration mode.
Demonstration mode has the following restrictions:

- Only words starting with an "s" are in the word frequency list
- Only the first 25 proper nouns are included in a proper noun list
- Only the first 10 marked words are put into a marked word list
- Only the first 10 table of contents entries are found
- Only the first 2 page numbers for each indexed entry are shown

To remove these restrictions, you must purchase the capabilities that you need –
indexing, table of contents, or both. After payment is received, you are given a special
serial number to enter into a registration box, enabling the desired features immediately.
